SESSION TYPES

Styles and session types

SUNSET Photo Sessions

GOLDEN HOUR & SUNSET SESSIONS

These magical sessions are done in the late afternoon just before or after the sun has gone down.

SUNRISE

Sessions are done in the early morning just before the sun comes up. Just like Sunset sessions, you need to arrive earlier to allow time to prepare so when the sun starts to come up we are excited and ready to take photos.

We have a few locations around the central west region that have a suitable sunset or sunrises however, we have also done these sessions on clients properties (I will check the location well before the shoot date to make sure it has the correct scene and lighting to give your family timeless images).

STUDIO Photo Sessions

These Sessions are done indoors using natural light and Studio lighting depending on the effect you would like.

WHAT DOES THE PRICE COVER?

ON CALL

A baby's entry into life is definitely on their terms so as you can imagine birth sessions are very unpredictable.

With that said, I take that into account when booking so I am birth ready!!

When I book your session on a selected date I am actually booking for the whole month allocated to YOU!.

\$2750 of the price allows me to book this time for you.

The remaining \$1050 covers the session on the day itself.

WHAT HAPPENS IF YOU HAVE A FAST BIRTH OR CANNOT HAVE A PHOTOGRAPHER IN THE ROOM?

In the event you are not able to have a photographer in for your birth, I will be there to photograph your little fresh 48 session.

This will allow me to capture the hours that follow your precious little human's entry into life within the 48 hours of birth.

OR

You can use the \$1050 credit for:

- Fine art Prints
- Additional digital images (to add extra images to either your maternity or newborn gallery (If you have booked a milestone package).
- Completed Collection package for a later session such as a one year baby Session.

REFUNDS

We require a 50% non-refundable deposit to book your session.

Once your session is booked I will not book another birth session in your place and will begin arrangements for your birth session.

The remaining amount is due 3 months prior to your booked birth dates. This amount is non-refundable however I can provide a \$1050 credit to use for prints, additional digitals or a Complete Collection Package.

ATTENTION Please Make sure you have read and understand the pricing and details for Birth photography sessions before booking your session.
